

Institution Name: Indiana University School of Medicine

Address: 1633 N. Capitol Ave., Ste. 436, Indianapolis, IN 46202, USA
Telephone: +1 317-962-8633
E-mail: efuller@iuhealth.org

Program Director: Michael Heit, MD, PhD
Program Faculty: Michael Heit MD PhD, Douglass Hale MD, Charles Powell MD, Bruce Robb MD, Toyia James-Stevenson MD

Trainees Per Year: 1
Program Length: 3 years

Specialty Certification: FPMRS
Special Interest Areas: Multi-disciplinary surgical and non-surgical management of pelvic floor dysfunction, including urinary and defecatory dysfunction and pelvic organ prolapse, and patient centered outcomes research.

Program Description: The broad educational goals for this program are to produce a physician who is independently competent to care for women with complex pelvic floor disorders and who has mastered the breadth and depth of medical knowledge necessary to serve as a consultant to other physicians and health care providers for patients with these disorders. The teaching, research, and clinical resources necessary for fellows to meet these goals is provided.
