

**Institution Name:** University of Pennsylvania Medical Center

*Address:* Department of Obstetrics and Gynecology, 3400 Spruce Street, Philadelphia, PA 19104

*Telephone:* +1-202-662-3230

*E-mail:* larya@obgyn.upenn.edu

*Program Director:* Lily A. Arya, MD, MS

*Program Faculty:* Heidi S. Harvie, MD, MSCE, MBA, Assistant Professor and Chief Urogynecology at Pennsylvania Hospital; Uduak Andy, MD, Assistant Professor Ob/Gyn; Pamela Levin, MD, Assistant Professor of Clinical Ob/Gyn (Pennsylvania Hospital), Assoc. Program Director; Urology Faculty: Ariana Smith, MD, Associate Professor of Urology (Pennsylvania Hospital) Colorectal Faculty: Joshua Bleier, MD, Associate Professor of Clinical Surgery (Pennsylvania Hospital) Gastroenterology Faculty: Farzana Rashid, MD, Assistant Professor of Clinical Medicine  
*Trainees Per Year:* 1

*Program Length:* 3 years

*Number of Graduates:* 13

*Specialty Certification:* Female Pelvic Medicine and Reproductive Surgery

*Program Description:* Our goal is to train surgeons and scientists for academic positions. Fellows will receive ample exposure in all areas of pelvic reconstructive surgery including vaginal, robotic, and abdominal surgery, anti-incontinence surgery, and neuromodulation. The program offers opportunities for fellows to participate in clinical and translational research. Strengths: close collaboration with Urology, Colorectal Surgery, Geriatrics, Gyn Oncology, and Obstetrics; availability of state of the art equipment in urodynamics and anal physiology lab (including anal ultrasound, anal manometry), large clinical database for research, and translational laboratories. Fellows are expected to present research at national meetings.
